Street of the Month

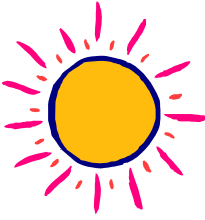

Merriweather Way
&
Hutton Boulevard

Named for Marjorie Merriweather Post, heiress to the cereal fortune created by her father C.W. Post. She later expanded that fortune through the discovery of frozen foods and the formation of the giant General Foods Company. She was one of the first members of society to start visiting Palm Beach on a regular basis, starting in 1911. In 1921, she married **Edward F. Hutton**, the famous stockbroker. Together, they commissioned the design and building of Mar-a-Lago, now owned by Donald Trump and operated as a private club.

Entry Gate Update

We had anticipated activating the entry gates to the community on June 1st. Due to manufacturing and installation delays, it will most likely be about another 60 days. We will provide more detailed information soon. Any Master Association assessments collected for June staffing will be credited to your third quarter statement being mailed in late-June. Thank you for your patience and understanding.
